One of Forever Sweet's unique specialties is the Smash Cake. At first glance the Smash Cake appears to be a standard cake. The surprise—each cake is hollow and hidden inside is an edible treat. Typical Smash Cakes are made from dark or milk Belgian chocolate and topped with white chocolate. Inside, you will find delicious chocolate drizzled caramel corn, or chocolate drizzled pretzel pieces. In order to reach the yummy inside surprise, you will need a mallet – and that's where the SMASH comes in. One or two whacks with the mallet and each cake is smashed open, exposing the delicious goodies inside. These cakes are a “smash” hit at any occasion! Forever Sweet also creates decadent gourmet truffles, elegant Florentines and a wide assortment of chocolate barks.

Website: www.stroopies.net

Stroopies are a Dutch tradition that originated in the Netherlands, but are now handmade right here in Lancaster County. Our Stroopies are individually handcrafted and made with all natural ingredients. We would like to invite you to take a pause, place a Stroopie on top of your favorite hot beverage, and allow the steam to warm the chewy homemade caramel inside the cinnamon wafer. Relaxing moments are good for the soul! We also dip stroopies in Wilbur's gourmet dark chocolate...and you can buy our Stroopies at the Wilbur Chocolate store in Lititz year round! They make great gifts...and are the perfect hot beverage companion.

Take the bus! Luther Acres has graciously provided a bus again this year and will pick Chocolate Walkers up at Stop #21 and drop them off at Linden Hall or back at the Train Station

Church Square
Lititz, PA 17543
Phone: 717-626-8515

The Lititz Moravian Congregation was organized on February 19, 1749. It was then known as the "Warwick Country Congregation" and included local farmers "awakened" by the preaching of itinerant Moravian ministers. The Moravian motto "In essentials, unity; in non-essentials, freedom; and in all things, love" was appealing to these early settlers in Lancaster County. The present Church building was built in 1787 and is the fifth place of worship for the Moravians of Lititz. Much of the sanctuary was destroyed in a fire in 1957 and carefully restored the following year.
