Being family-owned makes a difference. Family-owned. Personal relationships. Community-minded. At Charles F. Snyder Funeral Home and Crematory, they believe these things mean something. Indeed, they seek them out in the small businesses they support, and expect that their Lancaster County neighbors do, too. Their first funeral home was opened over 60 years ago by Charles F. Snyder, Sr. That funeral home in downtown Lancaster, as well as our Lititz Pike, Millersville and Lititz Borough funeral homes, continues to be family-owned and family-operated to this day. That is a rare thing in the funeral home industry, as more and more family and independently-owned homes are being bought and operated by large national

funeral home providers. Being family-owned means they are accountable to their customers, and that they have a direct connection to the ownership. This is the reason they strive to treat each family they serve as if they're a part of this town. Spacht-Snyder Funeral Home is delighted to be a part of the downtown Lititz community!
