Lititz Springs Park, the heart of Lititz, is a private park for public use. Whether you want a leisurely stroll, concert, playgrounds or picnics, Lititz Springs Park serves all ages. Owned by the Lititz Moravian Congregation and maintained by the churches of Lititz, the park does not receive public funding; it relies heavily upon the generous donations of citizens, businesses, and organizations in the community who appreciate the park. In addition to supporting the longest continuous celebration of the Fourth of July in the country, contributions help with continuing maintenance of the park, including the Welcome Center/train station, other park buildings, and the Lititz Memorial Square.

Whiff Roasters began out of a small, family run gourmet coffee shop called "Spill the Beans."

The owners wanted to ensure quality by roasting their own coffee beans. By 1999, Whiff Roasters was created to exclusively roast high grade, premium coffee. As a specialty coffee roaster, Whiff Roasters quickly established a loyal following of customers who enjoyed and appreciated their small batch, made-to-order coffee selections. Offering at least 28 regular premium coffees, 11 decaf varieties, and over 60 flavored coffee selections, Whiff Roasters soon became a popular coffee brand. In the fall of 2017, ownership was passed on to husband- and-wife duo, Keith and Jenessa Frey. Having been dedicated customers of Whiff Roasters coffee for many years, we continue to offer the high quality and freshness standard that has always been associated with Whiff Roasters. Using only the highest grade of Arabica beans acquired from estates all over the world, we invite you to experience for yourself the fresh, rich flavor and exquisite blends of our Whiff Roasters coffee. Blended, flavored, or specific to a region of growth, you will find our coffees to be of the utmost quality.

#### **Featured at Whiff Roasters:**
