Lititz Springs Park, the heart of Lititz, is a private park for public use. Whether you want to enjoy a leisurely stroll, concert, playgrounds or picnics, Lititz Springs Park serves all ages. Owned by the Lititz Moravian Congregation and maintained by the churches of Lititz, the park does not receive public funding; it relies heavily on the generous giving of citizens, businesses and organizations in the community who appreciate the park. In addition to supporting the longest continuous celebration of the Fourth of July in the country, contributions help with continuing maintenance of the park, including the Welcome Center/train station, other park buildings, and the Lititz Memorial Square.
