Lititz Springs Park, the heart of Lititz, is a private park for public use. Whether you want to enjoy a leisurely stroll, concert, playgrounds or picnics, Lititz Springs Park serves all ages. Owned by the Lititz Moravian Congregation and maintained by the churches of Lititz, the park does not receive public funding; it relies heavily on the generous giving of citizens, businesses and organizations in the community who appreciate the park. In addition to supporting the longest continuous celebration of the Fourth of July in the country, contributions help with continuing maintenance of the park, including the Welcome Center/train station, other park buildings, and the Lititz Memorial Square.

The new home of the Lititz Outsider was the original home of the Lititz Record Express. One hundred years ago, our brick walls held the heavy printing equipment that labored around the clock to tell the news of the day and print bulletins for the town. Young boys on bicycles picked up packs of fresh papers to deliver. This building told the town's stories! Today, Mark and Rebecca Branle are so excited to share what feels like their life's work – a place for people who find peace and refuge in the outdoors. The Lititz Outsider is home to Lititz Bikeworks and continues its tradition of high-quality customer-focused bicycle sales and service. And it's more! It's where you'll go to gear up for your next camping trip, hiking adventure, or climbing challenge. It's where you'll find gifts that help the ones you love answer the call of the outdoors. It's where you'll be invited on group hikes and group rides, and where you can attend events to learn more about trail building and preservation. Most importantly, it's where you'll find a caring team of fellow outsiders who love nature as much as you.

Groff's Candies is excited to join the 2026 Lititz Chocolate Walk! Groff's Candies has been family owned and operated since 1969, spanning three generations. Ruth Groff started selling fudge at the age of 15 at a local farmers market; her parents sold baked goods and produce at the market, and she was able to use part of their stand. Her fudge was a hit and became their specialty. This led Ruth and John Groff to establish Groff's Candies in 1969. Over the years we have developed many new products and served countless customers. Come check out our store just outside of Millersville where you will find high-quality chocolates, caramels, fudges, brittles, truffles, and hundreds of molded chocolates! You can carefully craft your own custom assortments, to be sure you get exactly what you want! We have multiple packaging options as well, to make sure we have the perfect gift for every situation! We also have a stand at Bird in Hand Farmers Market that carries a large selection of our products. We are looking forward to meeting and serving you!

Historic Rudy's Hall - "Restoring the Past, Enriching the Present, Preserving the Future."

We are proud to sponsor the 2026 Lititz Chocolate Walk and hold our first Lititz Chocolate Walk Maker's Market! This Lititz landmark building was built back in October 1900 by Miles Rudy as the town hall of Lititz,

and was fully restored ten years ago, with all Class A modern amenities, including a full-service elevator accessible to our second floor event space from our rear entry parking off North Lane. It is also home to Lititz Main Street Market, where we host artists' shows, pop-up makers markets, and it is also a premier banquet and event space. This year, we host our first in what we hope will be many Maker's Markets in the future.
